

## **Finance Committee**

June Bummer, Chair

Members: Jessica Coover, Susan Piscator

Many thanks to the committee members for reviewing our financial reports and encouraging cost saving recommendations. We have eliminated the PADONA Journal and replaced with monthly e-newsletters. At convention we will be using our website rather than having a mobile app. We will continue to have the gift basket raffle as a donation offering for scholarships and eliminated the need for a Small Games of Chance license. Many thanks to our vendors for their sponsorship and donations.

And thank you to our members for having area meetings at your facilities which saves on costs and lets us visit and enjoy different facility settings. The Board has approved a new position for a Professional Development Specialist, with hope of increasing educational programs and promoting PADONA. Special thanks to the membership committee for the membership contest which was a success. More PADONA members keeps us growing and prospering.

As always a financial report is available for review; we continue to be in the black, with a stable reserve.

Respectfully submitted,

June Bummer  
Finance Committee Chair
