Since we have last met, the Membership Committee has been busy implementing suggestions to bring PADONA to our area nurses. PADONA "Welcome gifts" (insulated bags and pens) were sent to our new members. The committee is unsure if the gifts have been successful in recruitment as we had not received any acknowledgment that the gifts had been received.

We have incorporated suggestions from the Strategic Planning Committee for member recruitment. You will get to witness our efforts during the convention!

I am happy to report to you the success we had with the Membership Recruitment contest.

During this year's convention, we will be awarding a

"Complimentary Convention Attendance Fee"

And

"A free two (2) year membership"

Our contest for recruiting new members has begun for this year! Improve your chance of winning by starting to recruit new members today!

I would like to thank all the members of the Membership Committee, the Board of Directors and all the members of PADONA who have been instrumental in our efforts to spread the word about PADONA membership!

Respectfully submitted,

Lois Marie Pasco
