Committed

Pennsylvania Association Directors of Nursing Administration

WHO DO WE REPRESENT?

PADONA represents current and former Nursing Directors, Assistant Directors, Nursing Supervisors and other Professionals in long term care. Members are represented from church, profit, and non-profit, county and state facilities.

PADONA is a non-profit professional organization that addresses the needs and requirements of the Directors of Nursing, Assistant Directors of Nursing and Consultants to Directors of Nursing for long term care facilities. As professional organization, PADONA addresses issues that are of common concern to all long term care nurses. Programs will address subjects that have a major impact or are a major interest to our members and the long term care community. Important benefits of membership in PADONA are peer support, educational programs, and the organization's goal to keep members aware of and involved in current happenings in the field of gerontology and long term care. Through educated and informed Directors, Assistant Directors, Nursing personnel and Consultants, we believe that nursing and health care needs of the long term care resident can be better fulfilled

BENEFITS OF MEMBERSHIP

Membership in PADONA carries with it several benefits. These benefits include:

·Education:

PADONA provides educational programs of high quality. Programs keep members aware of changes and developments in their distinguished profession. Where appropriate, programs will offer continuing education credits to Nurses and Nursing Home Administrators.

·Advocacy:

Our purpose is to ensure quality care for the resident and the promotion of long term care. This includes consumer groups, regulatory agencies and the media.

·E-Newsletter/Journal

Our E-News and Journal keep members informed of state and regional activities and provide timely articles relating to the field of nursing management and clinical issues in long term care.

•Professional Support and Networking:

Members represent a group of professionals who share common concerns, problems and solutions.

·Leadership Training:

PADONA members, through continuing educational programs, will be provided with management and leadership training programs.

·Annual Convention:

The Annual Convention offers valuable educational programs including exhibits representing the most up-to-date products, services and publications.

·Scholarships:

A scholarship program is available to provide funding for individuals interested in advancing their education.

•Membership in:

The American Society for Long Term Care Nurses.
