

PADONA is extending our Associate membership to all Medical Directors, Nurse Practitioners, and Physician Assistants that are interested in supporting our organizational philosophy and goals.

The Pennsylvania Association Directors of Nursing Administration Long Term Care is a non-profit voluntary organization comprised of Long Term Care Professionals. The organization represents quality, integrity, service excellence and strives to enhance the image of the Long-Term Care Professional.

We believe that Long Term Care residents are our nation's most vulnerable population. We believe the Long-Term Care resident is entitled to the highest quality of care, which can only be provided through the direction of professional nursing administration. We are committed to the development, achievement and enhancement of the highest standards of Long Term Care Nursing.

As an Associate member, you will receive all membership benefits including monthly e-news, Department of Health bulletins, access to the forum page of our website and discounted attendance fee at our annual convention, with the exception of voting privileges and being eligible to hold an office. Please click on the link, padona.com for additional information or feel free to contact me at spscator@padona.com.

A handwritten signature in black ink, reading "Susan Piscator". The signature is fluid and cursive, with a large, stylized initial "S".

Susan Piscator, MS, BS, RN, NHA
Chair, Board of Directors / Executive Director
