Being a leader in a long-term care facility, although sometimes overwhelming, is a rewarding career that allows you to positively impact the lives of many people including residents, their families, and, of course, the staff. Your leadership efforts and attitude impact resident outcomes, survey results, as well as workplace culture. This leadership program is a comprehensive program designed for the licensed nurse who wants to become an effective leader in a long-term care setting assisting you to balance quality of care, compliance and leadership.

This program provides two days of programming relevant to DON's, ADON's, Unit Managers, RN Supervisors, and other licensed nurses seeking to learn about long-term care management. The course agenda includes:

Day 1

Overview of a Day in the Life of a DON/ADON,
Overview of a Day in the life of an LTC RN Supervisor/Manager
Customer Service
Leadership
Managing Difficult Staff
Scope of Practice LTC RN/LPN/C.N.A.
CMS Federal Regulations Overview
State Regulations Overview

Day 2

Survey Readiness
Writing a Plan of Correction
Regulatory Reporting
Effective management of high risk clinical areas, including; Fall Incidents, Elopement, Abuse/Neglect,
Incident/Accident Investigation, and Infection Control

Speaker: Rebecca Flack, BSN, MSN, CRNP, DNP

Rebecca has been a nurse for over 30 and a DON in long-term care for over 20 years. She obtained a BSN, MSN and CRNP from the University of Pittsburgh in 1995 and a DNP from Waynesburg University in 2010. She has been adjunct faculty at Waynesburg University, Carlow University and Westmoreland County Community College. She was Manager, Clinical Quality Assurance for Focus Care 2011-2016. CRNP experience includes community health nursing. Experience includes a CMS Contracted Reviewer for various insurance plans throughout the eastern United States in 2015.

Cost: \$300.00 (does not include sleeping room)
