We are fortunate to have warm coats, gloves and scarves to keep us comfortable as the temperature drops. However, we have neighbors in need of these.

The *PSNA Young Nurse Professionals** group is announcing a coat drive to gather and distribute warm weather attire to those folks in need. We are collecting all sizes of new warm-weather items including: coats, scarves, hat and gloves or mittens.

Please bring gifts **by January 12, 2015** to
