Dear PADONA Members,

It is hard to believe that the annual convention is now just a memory! We look back fondly on the first week of April as a time of learning, fun and friendship. On behalf of PADONA Board of Directors we extend a heartfelt THANK YOU to all who helped to make the 31st annual convention a fantastic experience! Our thank you is extended loudly and strongly to all of the excellent and experienced presenters, to our supportive and helpful exhibitors, to our event sponsors who kept the convention energized and our thank you is extended to you – the membership! Without your attendance at the convention it would not have been the motivating and empowering event that it was. We hope that you left the event rejuvenated and excited! We also hope that you had the opportunity to renew and strengthen bonds with colleagues and friends while making new friends and associates to be added to your “phone a friend” network. We sincerely look forward to seeing you in 2020 at the next annual convention!

Candace McMullen, RN, NHA, MHA, CLNC, CNDLTC
